

OFFICE OF INSTITUTIONAL EQUITY AND COMPLIANCE

May 15, 2019

Re: Ms. Cheryl Dorsey

To whom this may concern:

My name is Precious Green Gunter and I am the Director of Equity, Ethics, and Compliance and Title IX Coordinator for Florida Gulf Coast University (FGCU). In addition to conducting equity related investigations and preparing equity related reports, I am also responsible for training the university community on various topics in relation to those issues. Due to the ongoing concerns and media coverage regarding police shootings, we sought out Ms. Dorsey to present on this topic for our campus. We chose Ms. Dorsey based on her level of expertise and the multiple media interviews that she has conducted on these topics.

On February 4, 2019, we hosted Ms. Dorsey on our campus to present her Comply and Complain Workshop. We had over 300 people in attendance divided between two three-hour sessions that day. We received positive feedback on the workshop. I personally, greatly enjoyed the workshop as well. Ms. Dorsey is very knowledgeable on the subject matter and presented confidently and respectfully on a topic that could often times make the audience members uncomfortable. She managed to control the room and encouraged a deeper understanding from everyone present by highlighting her understanding from multiple perspectives as a police officer, minority, wife, mother, and community member. We would gladly welcome the opportunity to host her on our campus again. Please feel free to contact me with any follow up questions.

Sincerely,
